Trax at DuPont Station apartment complex and urban community is located in DuPont Washington just south of Joint Base Lewis McChord. Designed in the contemporary style, the 178 unit complex is comprised of studios, lofts and townhomes ranging from 500 SF to over 1,100 SF. All residential areas feature wood flooring, custom cabinetry, energy efficient appliances and convenient amenities including a pool and spa facility, basketball courts and bar-b-que area. This mixed use complex also provides the residents with easy access to various businesses located within the complex.
